As the final countdown to **12th Gujarat Criticon 2026** begins, we are delighted and looking forward to welcoming you to **Rajkot** – the vibrant heart of Saurashtra, where tradition meets innovation and hospitality is a way of life.

This year's state conference has been thoughtfully designed to put together **renowned experts, engaging scientific deliberations, interactive workshops, and practical learning** that directly influences bedside critical care.

Beyond academics, Gujarat Criticon is about **reconnecting** with colleagues, exchanging ideas, building collaborations, and celebrating our shared commitment to improving patient care.

Join us for **3 unforgettable days** filled with learning, inspiration, friendship, mixed with the warm spirit of **Kathiyawad**.

Team Rajkot is ready to welcome the Medical fraternity. We look forward to welcoming you !

Let's walk together... Let's grow together... Let's shape the future of Critical Care.
